

## Dover Dam Days - Camp Tuscazoar – 5/4-6/2018

### **LOGISTICS**

**Group leader:** Scouts should always review the MB book before attending. It's even better if troops spend a meeting or two covering the basics. Scouts who complete all stations **and turn in a properly completed blue card** will receive signed blue cards back on Sat! There *may* be a minor pre-req., and if so, Units will be notified as soon as possible. The cost is **\$15 per participant** (youth & adults), which covers all activities, a commemorative patch, dinner Saturday night, and the campfire.

**Camping costs are extra and depend on selected site.**  
**Scouts are encouraged to attend for the full weekend,**  
**but pre-registered daytrippers will be accepted.**

**Please turn in completed Blue Cards for each scout at check-in.**

**Friday Night** Cracker barrel for SPL & Adults leaders to review Saturday schedule, which will include all the MB stations, and the Dam Tour if requested.

#### **Saturday Merit Badge Activities**

- Groups coming in Saturday morning should **arrive by 7:30 am** to get registered and receive their schedule.
- **Flag Raising** is likely at **8:05 a.m.**, with first classes starting right after that.
- **LUNCH:** Plan for a light and fast meal!

**Pre-registration is required for both camping & program!!!!**
