

**28<sup>th</sup> Annual Dover Dam Days**  
**Camp Tuscazoar**  
**April 24 – 26, 2015**  
**Search and Rescue**

“Imagine the concern a parent or loved one has when a teenager is overdue from a hike in the wilderness, a small child is missing from a crowded playground, a rock climber becomes stranded on a precarious ledge, or an elderly person wanders away from a caregiver.”<sup>1</sup>

Scouts are creative and should have no problems imagining all those scary scenarios.

But scouts are not just thinkers, they are doers.

It's the way they strive to fulfill that important motto ... you know the one.

Join us at Camp Tuscazoar so your scouts can be prepared.

And maybe someday that preparation will put your scouts in a position to help search for that overdue teenager, that missing small child, that stranded rock climber, or that elderly loved one.

We welcome the expertise of the **Ohio Wing - Civil Air Patrol**, specifically the **Tusco Composite Squadron 277**, who'll provide most of the training.

Whether scouts attend for the weekend, or just on Saturday, they will have a chance to complete all of the merit badge requirements, with only one pre-requisite.

The Corp of Army Engineers has been busy upgrading the Dover Dam for the last few years. Their success in insuring that the Dam is securely connected to the bedrock, means that for the first time since 2012, the Dover Dam Days weekend will once again feature the unique opportunity to tour *inside* the Dover Dam.

DDD also includes a patch, a fine Saturday meal and a rousing campfire at Ohio's most historic camp.

**Pre-registration is required**, so register early so your scouts don't miss this real world experience that will surely add to their preparation for life.
