

## Latest news from Tuscazoar

The first **Tuscazoar Maple Days festival** will be held **March 5-7, 2004**. Join us as we celebrate Tuscazoar's first season of maple syrup production. A hearty pancake breakfast and tours of the maple syrup production area are planned. Watch for more details.

Forest management will be the theme for **Dover Dam Weekend, April 30 to May 2**. The weekend activities will include a U.S. Forest Service demonstration, guided tours of Dover Dam, a barbecue dinner and an evening campfire program. Additional events are being planned. Scout groups participating in the Saturday events will have an opportunity to earn the Forestry merit badge.

The annual **Pig Roast Fund-raiser** was an outstanding weekend. The weather was beautiful and more than 550 meals were served. The Foundation netted over \$5700 for maintenance and operations and the new hours appeared to be a hit. We had at least 50 visitors lined up before noon on Sunday. Thanks to all the businesses that generously donated food and supplies and to the volunteers who helped make the weekend a big success.

Congratulations to Judith Shupe of Magnolia for winning the recent **horse quilt drawing**. Pat Waltz deserves an extra-special thank you for her efforts in making and raffling this quilt. She raised more than \$600 for Camp Tuscazoar!

### Oglebay tour, trading post ideal for holidays

Camp Tuscazoar is sponsoring a bus tour to the Oglebay Park Christmas lights in Wheeling, WV. More than one million lights are used in over 50 displays located throughout the park. The tour departs Saturday Jan. 3 at 2 p.m. from the camp parking lot, and includes a stop at MCL Cafeteria. Fidelity Tours is providing the bus and a tour guide. The cost is \$20 per person, with the meal extra. Sign up now! We will accept paid reservations for the first 47 people. Looking for a special Christmas present? Gift certificates are available, also. Speaking of Christmas: the camp trading post would be a great place for some stress-free Christmas shopping. Your purchase can be shipped immediately upon receipt of your order and payment. Eagle bricks also make great gifts. You can check out our available merchandise on the camp website at: [www.tuscazoar.org](http://www.tuscazoar.org).

### Tuscazoar memories requested

Camp Tuscazoar's long history as a summer camp means there are plenty of you that spent summer weeks or winter weekends at Tuscazoar. We know you carry fine memories and we really want you to share them with us. Did you and your buddies do something crazy at camp? Did you out-achieve your own goals and find a personal reward in a challenge? Did you swim the mile? How much fun was it getting those merit badges? Did some event create indelible pictures of the camping experience? Did a ceremony in camp touch you deeply? Perhaps your father or grandfather tells you he camped here?

We will begin a memory log and save your renderings for the museum's records. Yes, CTF has a lot of photos and those are fabulous items to keep and share. But your words can bring the photos to life. Please take a few minutes to sit and write your fond memories of an experience or two from your own Camp Tuscazoar history. Send us a letter or write us an email. We'll keep the stories and we'll share one or two in the Breeze as a "freeze frame" of camping past. Be as detailed as you want. If you only can recall a snippet we still love those, too. Whether it's the cabin you slept in or a hike you made, tell us the little things.

Share your heritage at Camp Tuscazoar so that we can keep the memories alive and clear. Email us at [info@tuscazoar.org](mailto:info@tuscazoar.org) or send a note to us at:

## Tuscazoar participates in cash back programs

The Camp Tuscazoar Foundation will receive 1% cash back in June 2004 for all receipts turned in to us from Sept. 7, 2003 through May 15, 2004 from any Acme Fresh Market store. Please save your receipts and mail them to our PO box. The camp also has an account at Gordon Food Service in Canton, where we receive cash back on purchases made in our name at their store. When you purchase any items, just ask them to credit the Camp Tuscazoar Foundation account. These are painless ways to give additional needed dollars to the camp. We appreciate your help!

## Trail riders raise funds for camp

The Buckeye Trail Riders don't ride loud cycles or tear up the hills with screamin' engines. They are an Equestrian Club who, like other such clubs in our area, enjoy their companions (their horses, mules, etc.), the outdoors, their friends, campfires, music and more. On Sept. 6 and 7, the Buckeye Trail Riders (BTR) raised more than \$1000 for Camp Tuscazoar as 29 riders attended a Ride-A-Thon. Guided rides were held on Saturday and Sunday mornings on trails that were said to be the best around (at least the driest, at times). Saturday, the riders and CTF board members were invited to a delicious potluck supper. After the meal, all riders received a certificate, a camp patch and pen.

Kudos for the most donations to Carl Englebrecht and the employees of Aircraft Braking Systems! Thanks to BTR President and event organizer Brenda Montandon and her committee: Barbara Harding (BTR); John Boyd Jr. (Tuscarawas OHC); and Tina Graber (Tri County Trail Association). Everyone can participate. Even if you don't ride, you can partner with an equestrian and help them gather donations for next year's bigger event! Thanks to all.

On the trail, Dana Powers, Ranger, CTF

## Volunteers needed for museum

Want to get out of the house and be with people? Want to be close to the outdoors? Great! We need folks age 25 and up in the W.C. Moorhead Museum on Friday, Saturday or Sunday. Set your own time between 9 a.m. and 5 p.m. (later on Friday). Come for an hour, or come for an afternoon or morning to watch the museum as visitors come and go. There is rarely a crowd. Pass on your stories and meet old friends and make new ones. You are entrusted with the safety and care of the artifacts of the museum. Dust or clean only if you want. We open and close for you. Now that you're interested, CALL TODAY at 330-859-2288 (Ranger) or 330-493-1386 (Nancy) to set up a time! We'll be glad to show you the ropes.
