ABOUT CAMP TUSCAZOAR

Purpose-built trails

Camp Tuscazoar offers the best purpose-built trails in Ohio that are used for trail running and mountain bike races every year. The camp owns over 850 acres of forested hills and valleys along the banks of the Tuscarawas River. Detailed maps are available by clicking the link below to view the well-marked and maintained trails. In addition, the rural county roads surrounding the camp are perfect for running as the elevation changes make them very challenging and they also have low vehicle traffic.

Camping

Tuscazoar has tent, cabin and RV lodging at budget friendly rental rates that cannot be beat. Reservations can be made by clicking the link below. We have a few high school cross country teams already using the camp in this manner on an annual basis. Belcher lodge offers running water, AC, kitchen with full bath on both levels.
