The Eagle's Walk...

Silhouetted against the sky, wings extended to their full expanse, flies one solitary eagle ...brave, courageous, proud; celebrating life as it soars above the treetops. Strong, dedicated, determined establishing the standards for those who choose to soar at his side. The eagle: a symbol of achievement, dedication and pride. How appropriate that the walkway by the W.C. Moorhead Museum is paved with the names of Eagle Scouts who shared the ideals, beliefs, and determination of William C. Moorhead. For $60, family and friends of Eagle Scouts can purchase an engraved brick to include in this walkway. All proceeds will be used to support the museum. Use the order form in this brochure to order these commemorative Eagle bricks.

Your personalized etching can be up to three lines long, 14 characters on each line
